**Domestic Animals—Communicable Diseases of—Notification of Cases—Disposal of Dead Bodies. (Reg. Bd. of H., May 5, 1913.)**

**ART. 6. *Diseased and disabled animals.*—SECTION 1.** No diseased or disabled animals shall be brought or conveyed into this town, and no diseased or disabled animals shall be left exposed upon any highway, street, avenue, or any premises therein. Any person violating the provisions of this section is liable to a penalty of \$50.

**SEC. 2.** The owner or owners of every beast which may die or be killed in the town of Oyster Bay, except those slaughtered for food, shall bury or cause the same to be buried, within 24 hours after its death, or within 6 hours after the time of being notified thereof, unless said animal is removed by the persons having authority from this board to remove the same after the time of being notified thereof. The depth at which such beast is to be buried shall be at least 3 feet from the highest part of the animal as it lies in the pit, to the surface of the ground; and all persons who have no land where they can conveniently bury such dead animal must apply to one of the members of the board of health, who may authorize the applicant to bury the carcass in any public road in the town, the pit to be dug between the edge of the road and the fence and at least 100 yards from any dwelling or place of business.

**SEC. 3.** Should any animal, whose owner is unknown, be found dead on the premises of another, or a public road contiguous thereto, the occupant of said premises shall immediately report the same to any member of the board of health or health officer, who shall cause such animal to be removed or buried within the time and in the place and manner prescribed in the preceding section. Any person finding such dead animal on land the owner of which is a nonresident, or in the highway adjoining, shall immediately report the same to one of the board of health or health officer, who shall cause the same to be buried in said land or highway as before mentioned; the cost of such burial to be determined by the board of health of the town, and the same to be a charge against the general fund of the town.

**SEC. 4.** All veterinary surgeons practicing in the said town shall report to the health officer or secretary of the board any case of glanders or other contagious disease in animals coming to their notice, within 24 hours thereafter, and for a failure to so report is liable to a penalty of \$50.

**SEC. 5.** Any person who shall wilfully omit or neglect to bury, or cause to be buried any animal which shall die or be killed, except those slaughtered for food, as specified in section 2 of this article, and in the manner therein provided, and any person who shall wilfully omit, or neglect to report to the health officer, or to any member of the board of health, the finding of any dead animal the owner of which is unknown, on his premises or on the highway contiguous thereto, or on land the owner of which is a nonresident, or on the highway adjoining, as required by section 3 of this article, is liable to a penalty of \$50.

**Manure—Care, Removal, and Transportation. (Reg. Bd. of H., May 5, 1913.)**

**ART. 7. *Manure.*—SECTION 1.** No manure shall be brought into this town or be unloaded or placed upon any dock or landing within this town, between the 1st day of June and the 1st day of September. And all manure so brought into this town or unloaded or placed upon any public dock or landing, shall be entirely removed therefrom on or before the 15th day of June; and all manure brought into this town by rail shall not be unloaded within 250 feet of any station or depot.

**SEC. 2.** All vehicles transporting manure upon the public highways of the town shall be covered with a canvas or burlap.

**SEC. 3.** Contractors, liverymen, and other people owning a large number of horses and located in villages or thickly populated sections, shall remove the manure from their manure pits at least twice a week of each and every week from May 1 to October 1.
